

About us

Tutnall Hall Nursing Home is a stunning 18th century Georgian House and is home to 35 residents who require that bit of extra care in their later years. The Home is nestled between the peaceful villages of Tardebigge and Burcot. We provide 24-hour professional nursing care by a qualified, dedicated onsite team of nurses and carers, backed up by other healthcare professionals such as GPs and pharmacists.

We are extremely proud of the fact that Tutnall Hall has been recognised as a Top 20 Care Home in the West Midlands. Even more exciting for us was the fact that Tutnall Hall has been ranked in the top 5 best nursing homes in the West Midlands!

It is very satisfying and rewarding to get such great feedback and recommendations from the people that matter the most to us - our Residents and their families. We always strive to provide that 'Wow' feeling in all we do - whether it be in providing highly qualified clinical staff or compassionate care or engaging activities or enjoyable food in a warm homely environment.

Tutnall Hall has been recognised as a Top 20 Recommended Care Home in the West Midlands

Luxury Accommodation

We pride ourselves on the quality and luxury of our single and double rooms, most with en-suite facilities and some with their own private courtyard. We aim to make each room as personal and individual as possible for each resident. The communal spaces such as the lounges and dining rooms are equally welcoming and relaxing. The home is set in beautiful landscaped gardens and there is a lovely fountain patio where families can come and spend quality time with their loved ones.

Our Philosophy

We have a singular aim to ensure that Tutnall Hall is a home where we ourselves and our parents would want to live. Our decisions are all based on this simple philosophy.

Freshly Made Meals

Our experienced chef creates a wide range of balanced, nutritional dishes, prepared daily using the freshest local produce. Residents can choose to eat in the dining room, lounge or in the comfort of their own room. We also cater for any residents with special dietary needs or requirements.

Passionate Care Staff

We recognise that its the staff that provide the compassion, care and wellbeing. Our Directors and Registered Manager always take a direct personal interest in the recruitment, motivation, and personal development of our staff to ensure our quality of care is second to none.

We are a Top 20 Recommended Small Care Home Group in the UK. This award recognises the hard work, dedication and compassion of our ever cheerful staff who always go the extra mile to ensure the highest quality nursing care, comfort and happiness of our residents.

Training and Development

We invest heavily in extensive training and development of our care staff. We refresh our staff's training every year to ensure it remains current and complies with all regulations.

Our Dedicated Nurse Team

Tutnall Hall specialises in providing Nursing, Respite and Palliative Care. We are registered to provide 24 hour professional nursing care with a team of qualified, dedicated registered general nurses and carers. We develop a personalised plan of care in collaboration with the resident, family, carer and where necessary health care professionals such as GPs and Pharmacists. We go the extra mile to ensure a stay with us is an enjoyable and restful experience for all.

Engaging Activities

Activities form the basis of daily life. We have a full time experienced activities coordinator who provides frequent events, outings and occasions for residents, their families and friends, such as arts and crafts, entertainment and of course a full schedule of events at Christmas and Easter.

We aim to encourage every resident to continue to maintain their own personal interests and hobbies. As our passionate activities coordinator put it: "We treat each person as an individual. We do lots of different activities from Bingo, quizzes and reading a newspaper. Generally what they want, we try and provide". Activities include, gardening with raised beds for wheelchair access, birdwatching, lively entertainment and singing, hands-on animal therapy mornings, relaxing pampering as well as art and craft sessions to name just a few.

Optional Extras

Our local qualified hairdresser provides her services every week at the home. Chiropody and optician services are also available. We also have Wi-Fi internet access for residents. We welcome visitors at all times with or without an appointment. If you would like further information or to arrange a visit please contact Mercy our registered care home manager, on 01527 875 854.
